Generations of the Shoah International Newsletter October, 2016

Dear Members and Friends,

This month **GSI** celebrates its anniversary. The first edition of this newsletter was distributed in October 2002. We have grown considerably since then to become the largest Holocaust survivor family organization in the world. We also serve as the bridge between the survivor community and the major Holocaust institutions/museums/memorials. We thank you, our members, for your continuing support.

There is still time to register for the joint **GSI, World Federation of Jewish Child Survivors of the Holocaust and Descendants** and **Kindertransport Association** conference in Los Angeles, CA, November 4 – 7, 2016. Keynote speakers this year will be **Robert Krell** (Founder of the Vancouver Holocaust Education Centre), **Stephen Smith** (Executive Director, USC Shoah Foundation), **E. Randol Schoenberg** (past President of the LA Museum of the Holocaust and attorney in the Woman in Gold art case), **Michael Berenbaum** (Holocaust scholar) and **Rabbi David Wolpe** (Senior Rabbi of Temple Sinai in LA). For more information and registration: www.genshoah.org/pdfs/gsi_2016_registration_packet.pdf

Please remember to send in your Kristallnacht program information. A link to our guidelines for publication is provided in the box below. There is no cost, but we ask you use our format and not submit flyers or press releases. **GSI** is an all-volunteer organization with no paid staff so we please make it as easy as possible for us to collect and share the information we publish monthly.

We hope you will take a moment to read the very special announcements we have posted below. There is also information for survivors from France in the restitution section below.

As we approach the Jewish New Year we hope you all will be inscribed in the Book of Life for a Good New Year.

Generations of the Shoah International (GSI)

ANNOUNCEMENTS

There were several efforts made on behalf of Holocaust survivors on Capitol Hill in Washington, DC in September. U.S. Rep. Ileana Ros-Lehtinen (R-FL), Chairman of the Subcommittee on the Middle East and North Africa, made the following statement after S.Con.Res. 46 passed in the Senate by voice vote. S.Con.Res. 46 - expressing support for the goal of ensuring that all Holocaust victims live with dignity, comfort, and security in their remaining years, and urging the Federal Republic of Germany to continue to reaffirm its commitment to comprehensively address the unique health and welfare needs of vulnerable Holocaust victims, including home care and other medically prescribed needs – is the Senate companion to H.Con.Res. 129, a measure introduced earlier this year by Rep. Ros-Lehtinen and Rep. Ted Deutch (D-FL), Ranking Member of the Subcommittee on the Middle East and North Africa, which passed in the House by a vote of 363-0 on June 7, 2016. Statement by Ros-Lehtinen:

"The House took another step today in showing our steadfast commitment to Holocaust survivors. With the House and Senate now having passed the same concurrent resolution urging Germany to reaffirm its commitment to comprehensively, transparently and immediately address the needs of all Holocaust survivors, Congress has signaled that our ally Germany can and must do better. The announcement by the Claims Conference and Germany earlier this summer that all caps on home care needs were to be lifted has been found to be less than accurate. The current process has been wanting and riddled with problems, and that is why Germany must move to fulfill its obligations to all survivors directly and comprehensively. Holocaust survivors have lived through the worst days imaginable – they deserve justice and they deserve to live out their days in dignity and comfort."

With the momentum from the unanimous Congressional resolutions urging Germany to provide full funding for survivors' needs, some members of Congress agreed to re-introduce legislation

to allow survivors and family members to go to US courts to seek enforcement of insurance policies sold by global insurers such as Allianz, Generali, and others to European Jews before World War II.

<https://ros-lehtinen.house.gov/press-release/ros-lehtinen-sherman-garamendi-nelson-and-rubio-introduce-bipartisan-bills-restore>

We are grateful to Representatives Ileana Ros-Lehtinen, John Garamendi, and Brad Sherman, and Senators Bill Nelson and Marco Rubio, for filing identical House and Senate bills on September 28, 2016, to overcome the court decisions that deprived survivors and family members of their basic rights as American citizens. These bills send the message that Holocaust survivors' voices, rights, and interests deserve to be honored and respected by the Government of the United States, and that corporations who profit from atrocities will always be held accountable for their wrongs.

As a practical matter, there is very little chance for the bills to be enacted in 2016. But these leaders are prepared to make an all-out effort to push this legislation in early 2017 when the new Congress convenes. It will be necessary for all of you and your friends, family, and other survivors and 2Gs to step up efforts in the coming weeks and months to get your Members of Congress and Senators to sign on as co-sponsors and push hard for the legislation to pass.

On Sunday, February 26, 2017 the Holocaust survivor community in Las Vegas will celebrate a very special B'nei Mitzvah. Since the full measure of a man's days is considered to be 70 years, a man can have a 2nd Bar Mitzvah as of age 83. For those survivors who could not have a Bar Mitzvah during the war years, this will be their opportunity. Women generally did not become Bat Mitzvah before the Shoah so this will be a first for them. On this date all the survivors in the Las Vegas area will be invited to participate in this service.

We selected this particular Sunday for the Rosh Chodesh (beginning of a new month) service which will allow us to have music and take photographs. It will also make it easy for the Sunday school children, especially the pre- Bar / Bat Mitzvah students, to join us.

We invite other communities to follow our example. We come together to observe commemorations. This time we will come together to celebrate a *simcha*. For more information contact Esther at GSI@genshoah.org.

RESTITUTION

The US Department of State announced the establishment of a second-round filing period for the U.S.-France Agreement compensation program to give claimants who may have missed the original deadline an opportunity to submit a claim. The second-round filing period opened on September 15, 2016 and will close on January 20, 2017. Program requirements remain the same, and payments for eligible second-round claims will be made out of the funds remaining after all eligible first-round claims have been paid.

Please see this media link released by the State Department's spokesperson: www.state.gov/r/pa/prs/ps/2016/09/261975.htm

Furthermore, the link to the State Department's website with relevant application information remains the same: www.state.gov/deportationclaims. On this website, you will find Frequently Asked Questions and Answers and information on how to make a claim.

My office would very much appreciate if you can help spread the word on the extension of this program. Please post a banner on your websites and include links to the media note and State Department website. For those organizations with chapters overseas, please be sure to spread the word through your organization so that potential claimants living abroad can learn of this program and its extension. Also, if your organizations have newsletters or other social media outlets, please post this information.

FYI... I am researching the repatriation of Jewish emigrants who escaped from Nazi Germany to the Soviet Union. Some of them were retained in the SU until the 1950s. They were freed in late 1955 and sent to Western Germany together with German prisoners of war, as a result of

Adenauer's Moscow Mission in autumn of 1955. It is known that at least 15 of them arrived in Germany, e.g. Max Broniatowsky with daughter Evelyn and son Hans; Leon Lewitan, Horst Liebmann and Harry Osters from Berlin. If anyone knows these persons and other 1955/56 remigrants, their names, personal data and their whereabouts after repatriation, please contact me. I appreciate any piece of information whatsoever. Please email wmensing@t-online.de – Wilhelm Mensing, Bonn/Germany.

FYI... **World Organization of Bukovina Jews and Descendants**, based in Israel, focuses on documenting, restoring and preserving Jewish heritage sites from Bukovina (Romania, Ukraine, Moldova and Bessarabia), including the treacherous route that Jews, expelled from their homes during the Holocaust, were forced to take to Transnistria. Our goal is to remember the life that was left behind; provide future generations with a taste from the past and bring it into their lives today; either by historical trips to restore Jewish cemeteries or to see what remains of Jewish culture in those countries, to share survival stories, pictures or even recipes from 'back home'. We welcome your participation in this modern, interactive world community newsletter.
