Generations of the Shoah International Newsletter
December, 2016

Dear Members and Friends,

GSI thanks all the organizations and institutions that spoke out against neo-Nazi, anti-Semitic and racist comments / attacks in the US and around the world. For the survivor community, who has seen this before, it has been very heartening to know we are not alone and stand with so many good people. We deeply appreciate your support.

2017 will usher in the 15th anniversary of GSI and we will have some new developments to introduce next year. Our membership has grown far beyond our expectations and we are evolving to meet new challenges.

The joint conference co-sponsored by the World Federation of Jewish Child Survivors of the Holocaust and Descendants (WFJCSHD), the Kindertransport Association (KTA) and Generations of the Shoah International (GSI) in Los Angeles was a wonderful success with almost 600 attendees. There were 5 generations represented with about half of the attendees being children of survivors. We plan to build on this success as we look ahead to the future.

As you are making your end-of-the-year donations, please consider giving to Holocaust survivors in need. Give to the social service agency of your choice. You may wish to make a contribution to a particular Holocaust memorial or institution. Anything you can do to help is appreciated. If you feel well served by GSI, pass it forward and do something to help others.

Our best wishes to all for a healthy, peaceful and prosperous 2017. As we move forward let us remind you that we are happy to give you free, worldwide publicity for Holocaust related public programs if you would be kind enough to send us the information in a format we can easily use. We have guidelines for event submission in the box below.

Generations of the Shoah International (GSI)

Membership in our interactive leadership listserv is open to leaders / representatives of landsmanschaft and other Holocaust-related groups. If your local survivor, second generation or third generation group has not yet delegated a representative to join the GSI interactive online discussion / listserv group, please join us now. We already have dozens of members throughout
the US and from other countries. This global interactive listserv is the fastest way to reach the survivor community: genshoah@gmail.com.

For event submissions: www.genshoah.org/contact_gsi.html. Please fill out the information requested in the text areas and submit it to us at genshoah@gmail.com. You must send us your information no later than the 23rd of the month if you wish for it to appear in the upcoming month’s issue.

To search the newsletter by geographic area: search by country for programs outside the USA or use the city and / or state abbreviations for those in the USA.

Visit our GSI website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, etc. Survivors, their children and grandchildren are welcome to post contact information for their local groups on our website.

GSI has an “open” Facebook Group that anyone can join and invite others to join. Feel free to introduce yourself to your brothers and sisters in the survivor community and communicate directly with them without having to be cleared by a third party. Use the group to find old friends and relatives. Join us and meet new friends. Our page is visible to Facebook members at http://tinyurl.com/clhxsf.
