Dear Members and Friends,

We hope 2018 will be a better year for all of us. Thank you for your continuing support of **GSI** and we ask you to please continue to share our newsletters with members of the intergenerational survivor community and with Holocaust educators.

Congratulations to the Wiener Library in London on their Designated status by the [Arts Council England](#) in recognition of the outstanding quality of their collections, extensive public engagement program and sensitive handling of challenging subject material.

Congratulations also to Andrew Kaufman, Chairman of the Association of Jewish Refugees (AJR), on his nomination to receive an MBE (Most Excellent Order of the British Empire, a British order of chivalry) for services to Holocaust education.

We have multiple listings for this year's International Holocaust Remembrance Day commemorations. Please remember to send in your Yom Hashoah (April) program information for inclusion in our newsletter. We have guidelines for submission in the box below.

Our thanks to our December guest, Gail Prensky, for sharing her time and talent with us. We thank all our 2017 guests who joined us for our book / film discussion series on Facebook.
