

## ***Generations of the Shoah International Newsletter***

April 2018

Dear Members and Friends,

Congratulations to **GSI** Coordinating Council member Dr. Charles Silow on being honored for years of service to the Holocaust survivor community in Detroit and beyond. This article tells the story: [A Caring Community - Detroit Jewish News](#).

This time of year, we want to thank the many people who work diligently to ensure the legacy of the Holocaust is preserved with truth and integrity. Please know the intergenerational Holocaust survivor community is eternally grateful to you for your dedication and professionalism. May you go from strength to strength!

As we participate in our local Days of Remembrance of the Holocaust programming, we pause to remember those who were taken before their time in horror and brutality. We also honor those who survived and shared their histories with us.

For those who make donations at this time of year, if you feel well-served by **GSI** please pass it forward and make a generous contribution to your favorite social service agency that assists survivors and / or to the museum / memorial of your choice.
