Generations of the Shoah International Newsletter

November, 2017

Dear Members and Friends,

We invite all of you to join the ***Remember and Be the Light*** initiative (inspired by Dr. Tom White of Keene State University and conceptualized by **GSI's** Coordinating Council member Barbara Wind) as we commemorate Kristallnacht. We ask you and your community to light a candle (or post a picture of a candle) on November 9th to protest baseless hatred. For flyers and a resource guide to help spread light: www.jfedgmw.org/holocaust/remember-the-light

Our thanks to Sarah Wildman for being our Facebook guest in October. We now welcome our November guest Joan Arney Halperin, author of *My Sister's Eyes: A Family Chronicle of Rescue and Loss During WWII*. (www.genshoah.org/guest-bio-2017/Joan_Arney_Halperin.html)

Thank you,

Generations of the Shoah International (GSI)

Testifying to the Truth: Call for Testifiers

In early 2018 the Wiener Library in London will launch a significant new resource based on one of the world's most important collections of Holocaust testimonies. During the 1950s, over 1,300 testimonies from Holocaust survivors and refugees were gathered by the Library. Over the past two years, with the support of the Department for Communities and Local Government, we have been digitising, transcribing and translating this material with a view to making it more accessible to researchers. To help us complete this task to the best of our ability, we are now trying to contact the original testifiers and/or their descendants. If you think that you or a family member may have been involved in giving testimony, we would love you to get in touch. Please contact the Library on info@wienerlibrary.co.uk or call us on 020 7636 7247.

[Photographs](#), [Documents](#), [Letters](#), [Objects](#), [Memories](#)

After the Kindertransport, Kitchener camp provided the next most significant rescue of Jews to the UK from Germany, Austria, and Czechoslovakia, but hardly anyone has ever heard of it. We are asking for help in collecting together this important historical information about Kitchener camp and its refugees, which was in operation in Britain from January 1939 until after the outbreak of World War II. The project has 3 main aims:

- To provide a place for Kitchener camp descendants from around the world to gather together images of, and texts about, their family documents, memories, and stories.
- To have these items in place by the 80th anniversary (2019), and to hand over the site and its images to an appropriate institution to coincide with the anniversary of the opening of Kitchener camp.
- To hold an exhibition and discussion about Kitchener camp around the time of this handover.

For more information about the project, please visit www.kitchenercamp.co.uk

FYI... KAVOD serves Holocaust Survivors living at or below the poverty line in the United States. Our mission is to provide aid to Holocaust Survivors who have emergency day to day needs for food, medicine and/or household goods. KAVOD is designed to make sure these men and women live out their remaining years with dignity and respect by issuing aid in the form of gift cards to grocery stores and pharmacies near where they live. KAVOD works with agencies that are already serving Survivors in order to connect with these individuals in a strictly confidential basis. The decisions of KAVOD are overseen by a diverse and experienced Board of

Community Leaders with the majority being 2nd Generation or children of Holocaust Survivors. Please visit us at www.kavodensuringdignity.com for more information. You can also contact Amy Israel Pregulman at amy.kavod@gmail.com

FYI... I am looking for testimonies of children helped and saved by my late grandfather, Paul Zbinden, between 1940 and 1944; those children would have travelled with him from Paris or Lyon to Southern France. I am writing a story about his numerous and courageous actions during WW2 in the Cevennes (southern France). These testimonies are requested by Yad Vashem so that it could rule on granting Paul Zbinden with the title of Righteous among the Nations.

Paul Zbinden, a Swiss pastor, brought Jewish children by train from Paris or Lyon to the unoccupied zone (Spanish border?). When German soldiers would conduct a search in the train, Paul Zbinden hid the children under the carriage. My grandfather was 40 – 45 years old, but may have looked a bit older (white hair, slim). He was a pastor, living in St-Jean du Gard (France). Any person who might have encountered my grandfather, saved or rescued by him should get in touch with me, as soon as possible: zbindenluc@gmail.com
