Dear Members and Friends,

Best wishes for the holiday season and 2018. We know many of you are making charitable donations this time of year. If you feel well served by GSI, please pass it forward and make a donation to your local Jewish social service agency to help Holocaust survivors in financial need and / or donate to a Holocaust museum / memorial of your choice. Thank you.

Please remember to send in your International Holocaust Remembrance (January) and Yom Hashoah (April) program information for inclusion in our newsletter. We have guidelines for submission in the box below.

Our thanks to our November guest, Joan Arnay Halperin. We now welcome the final guest in our Facebook series Gail Prensky, creator, executive producer, and project director of The Jüdische Kulturbund Project.

Thank you,

**ANNOUNCEMENTS**

*Generations of the Shoah International (GSI)* firmly believes that all sites where mass murder took place, whether actively or through attrition, demand the kind of respect afforded to graveyards and cemeteries. Former death, concentration, transit and slave labor camps should each be regarded as protected grounds and memorialized, not commercialized.
