

Generations of the Shoah International Newsletter April 2019

Dear Members and Friends,

As we approach the Days of Remembrance, we pause to reflect on all that went before. We remember those whose lives were snuffed out and the pain they endured. Let us not forget there are Holocaust survivors in our communities who are still suffering. If you feel well served by **GSI** please pass it forward and donate to the Jewish social service agency of your choice.

We are living through very troubling times as we witness increasing anti-Semitism worldwide. Now is the time to step up and support the Holocaust museum / memorial / program of your choice with either a donation and / or a commitment of your time and talents.

To those of you who have dedicated yourselves to Holocaust education, remembrance and commemoration, we are eternally grateful.

Congratulations to **GSI** Coordinating Council member, [Dr. Charles Silow, on being honored by the Daughters of the American Revolution \(DAR\) for 25 years of service.](#)

Thank you,
Generations of the Shoah International (GSI)

FYI... **Shoah Documentary: Searching for a baby girl who survived a massacre near Buczacz**

A Canadian documentary film company is making a feature documentary about the Holocaust and is looking to unite a survivor with the woman he saved near Buczacz in late 1943.

The survivor, who was a 13-year-old boy at the time, has told us the dramatic story of how he saved a baby girl in the woods outside of Buczacz in the winter of 1943. While living in hiding in the woods, he came across the site of a massacre of Jews beside a frozen river. Eight people were dead, it appeared to be a group who had been hiding in a forest bunker but had been discovered and murdered on the spot. The baby, who appeared to be less than 2 years old, was the only survivor. For more: shoahfilm@saloonmedia.com

FYI... During April, The World Jewish Restitution Organization (WJRO) is launching a month-long social media campaign - #MyPropertyStory - to focus on Holocaust survivors' lives before the Shoah and to show how their homes, land, businesses or personal possessions are important and powerful links to their pasts. A sort of prequel to Anne's Diary, No Asylum reminds us of the current refugee crisis.
