Dear Members and Friends,

As the global pandemic continues to rage, more virtual programs are becoming available. We hope those of you who either created or viewed programs for International Holocaust Remembrance Day will send us the title, date and link to archived programs accessible to the public.

Looking ahead, we hope to be able to provide an extensive listing of Yom Hashoah programs and events. If you are planning virtual or in-person programs, please see the box below for directions for event submission. There is no cost. We are always happy to freely share resources and information.

This month we are introducing Youth HEAR from Australia in the FYI section below. Please take a moment to “meet” them and learn about the wonderful work they are doing. We would be happy to introduce other survivor / descendant groups in future editions of this newsletter. Please contact us at GSI@genshoah.org. Thank you.

Stay safe and be well,

Generations of the Shoah International (GSI)

For event submissions: www.genshoah.org/contact_gsi.html. Please fill out the information requested in the text areas and submit it to us at genshoah@gmail.com. You must send us your information no later than the 23rd of the month if you wish for it to appear in the upcoming month’s issue.

To search the newsletter by geographic area: Search by country for programs outside the USA or use the city and / or state abbreviations for those areas in the USA.
All times listed below are local unless otherwise stated.

Visit our GSI website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, etc. Survivors, their children and grandchildren are welcome to post contact information for their local groups on our website.

ANNOUNCEMENTS

From the Arolsen Archives
#everynamecounts is an initiative of the Arolsen Archives. Its aim is to build a digital monument to the victims of Nazi persecution. This crowdsourcing project encourages volunteers to work with original documents on the victims of the Nazi regime. By recording the data of the victims in digital format, the volunteers make it possible for anyone to search for and find the names of the victims in our online archive. Ten thousand volunteers from all over the world have already participated in the project in 2020. We would like to stand together with you and many other partners and send a strong signal in 2021 – for active remembrance of the victims and for respect, diversity, and solidarity. FYI… As a result of collaboration with the World Jewish Congress and UNESCO, Facebook will redirect its users searching for terms associated with the Holocaust, denial or distortion to the [www.aboutholocaust.org](http://www.aboutholocaust.org) website. Hosted by the WJC and UNESCO, the website sets out the correct historical facts about the Holocaust and is now available in 19 languages.

FYI… Youth HEAR (Holocaust Education And Remembrance) is an organisation dedicated to mitigating hate in society by connecting Jewish and Non-Jewish Australian young adults (17-30) with the memory of the Holocaust.

Through education, commemoration and cross-community collaboration we strive to learn the lessons of the past in the hope that we will truly be able to say never again. Raising awareness and enhancing understanding is just the first step in attempting to address the growing problem
of hate in society. In order to truly be able to say *Never Again* we need to continually connect emotionally to the darkest parts of human history.

Connect with us on [Facebook (@youthhear)](https://www.facebook.com) and feel free to contact Co-Founder and Managing Director, Julia Sussman, by emailing [julia@youhthear.com](mailto:julia@youhthear.com).
