Dear Members and Friends,

Given the current situation with the Corona crisis (COVID 19), most events are being canceled, rescheduled or changed to virtual programming online. Not everyone has contacted us with changes so please check to see if an event you wish to participate in will still take place as scheduled. Please check out the Announcements section for more virtual programs.

We again pause to observe Yom Hashoah and remember those murdered in the Holocaust. At this time we always remind you there are survivors in financial need and Holocaust related institutions are working hard to carry on the legacy of our families and teach about this history. If you feel well-served by GSI, pass it forward. Please make a donation to a social service agency that assists survivors or to an educational / commemorative organization of your choice.

As the whole world goes through this Corona Virus pandemic, we hope you, your families and friends stay healthy and safe. For the survivors and their children who are advanced in years / have medical conditions, if you need help getting food and medicine please contact your local Jewish social service agency or synagogue. Many Jewish organizations have volunteers available to help you.

Generations of the Shoah International (GSI)
