**FYI...**

3GNY is an educational non-profit organization for grandchildren of survivors and our supporters. As a living link to survivors, we preserve the stories and the lessons of the Holocaust. Our mission is to educate diverse communities about the perils of intolerance and to provide a supportive community for the descendants of survivors. Founded in 2005 with a group of six, 3GNY’s membership now exceeds 4,500. 3GNY has also played a leading role in launching other 3G groups and we’re in conversations with others around the country to expand our reach even more.

3GNY is most proud of its flagship educational initiative, WEDU, which is short for We Educate. This 4-week training program empowers grandchildren of survivors to learn and compellingly share their family’s Holocaust experiences in school classrooms and with community groups. We’ve reached over 30,000 students in the tri-state area and recently through virtual platforms, we've been able to reach students around the country.
