Dear Members and Friends,

It is with great sadness we announce the passing of GSI Coordinating Council member Dr. Doris Schwarz-Lisenbee of the Silicon Valley Holocaust Survivor Association. Doris was personally and professionally dedicated to the survivor community and she will be greatly missed.

GSI is marking our 18th anniversary this month. This is a significant number in Jewish tradition as the number 18 represents life. We are heartened that the legacy of our families lives on and as GSI embraces members of the survivor community and multiple generations of their descendants.

Our thanks to those of you who have shared these newsletters, submitted program ideas, sent in links to articles and, in other ways, supported us. Without you we would not have become the largest Holocaust survivor family organization in the world, nor would we be able to serve as the bridge between the international / intergenerational survivor community and the major Holocaust organizations and institutions. May we all go from strength to strength.

Be well,
Generations of the Shoah International (GSI)

Membership in our interactive leadership listserv is open to leaders / representatives of landsmanschaften and other Holocaust-related groups. To search the newsletter by geographic area: Search by country for programs outside the USA or use the city and / or state abbreviations for those areas in the USA.

All times listed below are local unless otherwise stated.

Visit our GSI website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, etc. Survivors, their children and grandchildren are welcome to post contact information for their local groups on our website.

GSI has an “open” Facebook group that anyone can join and invite others to join. Feel free to introduce yourself to your brothers and sisters in the survivor community and communicate directly with them without having to be cleared by a third party. Use the group to find old friends and relatives. Join us and meet new friends. Our page is visible to Facebook members at www.facebook.com/groups/genshoah/.
