Dear Members and Friends,

It is with gratitude that GSI marks its 19th anniversary. This could not have continued without the ongoing support of our members who share these newsletters with their families, friends, and local groups. We are also grateful to the thousands of members we have on Facebook. As we move into the future, we promise to continue to share information and resources that deal with Holocaust education, remembrance, and commemoration.

To help us celebrate this milestone we are delighted to introduce two new members of our Coordinating Council: Tali Nates (South Africa), and Alissa Foster (Australia). Tali, a 2nd generation (2G) and the daughter of an Oscar Schindler survivor, is the founder and director of the Johannesburg Holocaust & Genocide Centre and chair of the South African Holocaust & Genocide Foundation. She is also one of the founders of the Holocaust and Tutsi Genocide Survivors groups in Johannesburg. Alissa is our first 4th generation (4G), a great-grandchild of Holocaust survivors. A member of Youth HEAR (Holocaust Education And Remembrance) leadership, she brings a new perspective to GSI. We welcome them to our “extended family”.

The World Federation of Jewish Child Survivors of the Holocaust and Descendants (WFJCSHD) has decided to postpone their November conference due to the current Covid-19 situation. When a new date has been determined, the information will be posted in an upcoming edition of the newsletter.

Kindly remember to send in your program information for upcoming Kristallnacht commemorations. It would be helpful if you specify whether the program is in person, virtual or blended.

Stay safe and be well,

Generations of the Shoah International (GSI)
