Generations of the Shoah International Newsletter
November 2021

Dear Members and Friends,

GSI mourns the passing of Bob Cohen, husband of Coordinating Council member Dina Cohen. May his memory be a blessing as well as a source of strength.

Michele Gold, daughter of a Kindertransport survivor (2G), has joined the GSI Coordinating Council. She comes to us from the Second Generation Network and the Museum of the Holocaust LA in Los Angeles. Joining our Advisory Group are Michael Newman (3G), CEO of the Association of Jewish Refugees in the UK and Julia Sussman, Managing Director of Youth HEAR (Holocaust Education and Remembrance) in Australia. We welcome them to our extended family!

Please take a moment to read the announcements below. There is an update from the Claims Conference and an announcement from Spain. As always, we have a broad sampling of news articles from around the world which you may find interesting.

Stay safe and be well,

ANNOUNCEMENTS

From the Claims Conference
First-time pensions have been allotted for 6,500 Holocaust survivors who survived the Leningrad Siege as well as for survivors who were in hiding in France and for those who survived persecution in Romania and who are not currently receiving Shoah-related pensions. The newly negotiated, region-specific pension program is open and currently receiving applications.

Survivors will be entitled to receive a monthly pension of €375 (USD $443) if they satisfy one of the following types of region-specific severe persecution during the Nazi period:

I. were at least three months in the Siege of Leningrad; OR
II. lived between April 1, 1941 and August 31, 1944, at least three months under Axis occupation within the borders of Romania on April 1, 1941; OR
III. lived at least three months in France in hiding, including with access to the outside world. For example, those living in southern France, were able to be out during the day and hid at night when deportations took place.

Child Survivor Fund payments, a symbolic one-time payment of €2,500 (USD $2,930), will also be paid to those who meet the persecution criteria and were born in 1928 or later.
