FYI…Children of the Holocaust Survivors Association in Minnesota (CHAIM) is a Minneapolis-St. Paul metropolitan area organization of children (second generation, a/k/a 2Gs) and other descendants and friends of Shoah survivors.

CHAIM’s 150 members are linked together by the common goals of preserving and honoring the legacy of our parents and other family members affected by the Shoah. CHAIM addresses issues of its members’ mutual interest through regular programs and presentations on a wide range of Shoah-related issues. Meetings are held approximately every month or every other month with presentations by local and national specialists dedicated to remembrance of and current issues related to the Shoah. These programs include educational projects, documentaries about the Shoah, and personal stories shared by members about the 2G and 3G experience. CHAIM promotes the needs of survivors and descendants of survivors and co-sponsors a wide spectrum of programs with similarly minded local and state professional, academic and advocacy organizations. CHAIM shares resources and programming ideas, provides emotional support for its members, and reaches out to future generations — grandchildren (3Gs) and great-grandchildren (4Gs) of survivors — to advance the legacy of the Shoah. There is no fee to belong to CHAIM.

CHAIM is affiliated with 2G and 3G groups across the US and with the worldwide umbrella group, Generations of the Shoah International (GSI), the world’s largest Holocaust family organization. For more, please contact Ken Engel, CHAIM Chair, at kene@kselaw.com.
