Dear Members and Friends,

Greetings of the season!

We appreciate all the tireless efforts so many are making to maintain quality Holocaust education despite the many difficulties during the past year. As you are making your year-end donations, please consider giving financial assistance to an agency that helps survivors in need and/or to the Holocaust organization/institution of your choice. If you feel well-served by GSI, kindly pass it forward.

Please send in your information for upcoming International Holocaust Remembrance Day commemorative programs for the January edition of this newsletter.

Best wishes for a much better 2022,

Generations of the Shoah International (GSI)
