Generations of the Shoah International Newsletter

January 2022

Dear Members and Friends,

We hope this is the beginning of a better year. Too many members of the Holocaust survivor community were lost to the coronavirus. In some ways, the social isolation caused by the pandemic has made us develop new networking and education strategies which has been beneficial. Sadly, we have also seen a dramatic rise in fear and hatred. We wish all of you direct strength (*yasher koach*) in facing the challenges ahead.

2022 marks **GSI's** 20th year. We have information about the members of **GSI's** Coordinating Council and Advisory Group on our website. We invite you to "meet" us at www.genshoah.org.

Generations of the Shoah International (GSI)

Membership in our interactive leadership listserv is open to leaders / representatives of *landsmanschaften* and other Holocaust-related groups. If your local survivor, second generation or third generation group has not yet delegated a representative to join the **GSI** interactive online discussion / listserv group, please join us now. We already have dozens of members throughout the USA and in other countries. This global interactive listserv is the fastest way to reach the survivor and their descendants' communities: genshoah@gmail.com.

For event submissions: www.genshoah.org/contact_gsi.html. Please fill out the information requested in the text areas and submit it to us at genshoah@gmail.com. You must send us your information no later than the 23rd of the month if you wish it to appear in the upcoming (next) month's issue.

To search the newsletter by geographic area: Search by country for programs outside the USA or use the city and / or state abbreviations for those areas in the USA.

All times listed below are local unless otherwise stated.

Visit our **GSI** website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, and more. Survivors, their children, grandchildren, and great-grandchildren are welcome to post contact information for their local groups on our website.

GSI has an “open” Facebook group that anyone can join and invite others to join. Feel free to introduce yourself to your brothers and sisters in the survivor and descendants’ community and communicate directly with them without having to be cleared by a third party. Use the Facebook group to find old friends and relatives. Join us and meet new friends. Our page is visible to Facebook members at www.facebook.com/groups/genshoah/. Joining Facebook is free and easy: www.facebook.com.
