Generations of the Shoah International Newsletter

November, 2013

Dear Members and Friends,

We start this month at the international, intergenerational Holocaust survivor family gathering in the Las Vegas area. We hope to have photos available next month so we can share this event with our members who could not attend. We also want to welcome all the people who have joined us here and on facebook.

This month we mark the 75th Anniversary of Kristallnacht. There is an extensive listing of commemorations below in the Upcoming Events section.

Many thanks to Slawomir Grunberg, our October guest on the book / film discussion series on facebook. We now turn our attention to our next set of guests. Marilyn Meyers and Nancy Goodman edited and wrote for a book titled: *The Power of Witnessing: Reflections, Reverberations, and Traces of the Holocaust--Trauma, Psychoanalysis, and the Living Mind*. Margit Meissner and George Halasz are two of the contributors to this book, writing in personal ways about first and second generation experiences. Join the discussion with all four of them on facebook by clicking on the discussion group tab above.

Generations of the Shoah International (GSI)

Membership in our interactive leadership listserv is open to leaders / representatives of *landsmanschaft* and other Holocaust-related groups. If your local survivor, second generation or third generation group has not yet delegated a representative to join the **GSI** interactive online discussion / listserv group, please join us now. We already have dozens of members throughout the US and from other countries. This global interactive listserv is the fastest way to reach the survivor community: GSI@genshoah.org.

For event submissions: www.genshoah.org/contact_gsi.html. Please fill out the information requested in the text areas and submit it to us at gsi@genshoah.org. You must send us your information no later than the 23rd of the month if you wish for it to appear in the upcoming month's issue.

To search the newsletter by geographic area: search by country for programs outside the USA or use the city and / or state abbreviations for those in the USA.

Visit our **GSI** website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, etc. Survivors, their children and grandchildren are welcome to post contact information for their local groups on our website.

GSI has an “open” Facebook Group that anyone can join and invite others to join. Feel free to introduce yourself to your brothers and sisters in the survivor community and communicate directly with them without having to be cleared by a third party. Use the group to find old friends and relatives. Join us and meet new friends. Our page is visible to Facebook members at <http://tinyurl.com/clhxsf>. Joining Facebook is free and easy: www.facebook.com.
