

Generations of the Shoah International Newsletter
October, 2013

Dear Members and Friends,

This month **GSI** celebrates our 11th Anniversary. In 2002 nine people in seven cities got together to form an organization dedicated to freely sharing information and resources. We have grown to become the largest Holocaust survivor family organization in the world. **GSI** also serves as the bridge between the survivor community and the major Holocaust-related organizations. We thank you, our members, for your continuing support.

The joint World Federation of Jewish Child Survivors of the Holocaust and Descendants (WFJCSHD) and Generations of the Shoah International (GSI) conference is almost upon us, but it is not too late to register. World-class speakers will be presenting at this conference for which hundreds have already registered. We have more conference information online: [Tentative outline of 2G/3G programs](#); [Registration packet](#); [Local attractions](#). Additional programming for the survivors will be organized by the WFJCSHD.

Many thanks to Henry (Harry) Lew, our September guest on the book / film discussion series on facebook. We now turn our attention to our October guest, filmmaker Slawomir Grunberg: http://www.genshoah.org/guest_bio_2013/Slawomir_Grunberg.html

Congratulations to *Adventurers Against Their Will* on winning the 2013 Global Ebook Award for Nonfiction: Biography. <http://www.youtube.com/watch?v=LpIIEP4pPy0&feature=youtu.be>

Congratulations also to Dr. Harriet Lipman Sepinwall, Professor of Holocaust Studies and Co-Director of the College of Saint Elizabeth Holocaust Education Resource Center and Chris Nicola who has shed light on the survival experiences of Jews in a cave in the Ukraine, on receiving the Tikkun Olam Award from the Haiti Jewish Refugee Legacy Project.

As we approach the 75th anniversary of Kristallnacht we remind you to please send in your public program information for this newsletter.

FYI... The Municipal Library of Nuremberg is housing, on permanent loan from the Jewish Community of Nuremberg, a collection of looted books taken forcibly from Jews, freemasons, priests and other groups victimized in the period of Nazi-rule 1933 to 1945. This collection, known as the 'Collection IKG / Sammlung IKG', was discovered at the end of World War II in the offices of the infamous anti-Semitic periodical 'Der Stürmer' and in the private residence of Julius Streicher at Cadolzburg near Fürth.

In the search for the previous owners of these books, the Municipal Library is publishing a list of 1390 names of individuals or statutory corporations and institutions from 300 towns all over Europe. This pro bono effort is an attempt to fulfill our ethical and historical obligations.
