## ***Generations of the Shoah International Newsletter***

March 2018

Dear Members and Friends,

Much has been written and said about Holocaust-related legislation in Poland. In the announcement section below there are official statements by governments and institutions. This is the [GSI response to Holocaust Legislation in Poland](#). The FYI section has a wide sampling of articles and videos from around the world condemning this new law and also reporting that its implementation has been delayed. Many of them are listed under Poland, but not all are.

A new descendants group is forming in the White Plains, NY area. Please see the March 27<sup>th</sup> listing below. Please remember to send in your Yom Hashoah program information for the April newsletter.

We mourn the loss of Morris Friebaum, father of **GSI** Coordinating Council member Janice Friebaum.

We wish you a Sweet Passover,
