Dear Members and Friends,

We wish all of you a good summer. Please remember that we publish a combined Summer newsletter, which will be distributed mid-July, rather than separate July and August editions. If you have programs / events over the summer, please send your information in now, following the guidelines in the box below.

Thank you,
Generations of the Shoah International (GSI)

Membership in our interactive leadership listserv is open to leaders / representatives of landsmanschaften and other Holocaust-related groups. If your local survivor, second generation or third generation group has not yet delegated a representative to join the GSI interactive online discussion / listserv group, please join us now. We already have dozens of members throughout the USA and from other countries. This global interactive listserv is the fastest way to reach the survivor community: genshoah@gmail.com.

For event submissions: www.genshoah.org/contact_gsi.html. Please fill out the information requested in the text areas and submit it to us at genshoah@gmail.com. You must send us your information no later than the 23rd of the month if you wish for it to appear in the upcoming month’s issue.

To search the newsletter by geographic area: Search by country for programs outside the USA or use the city and / or state abbreviations for those areas in the USA.

All times listed below are local unless otherwise stated.

Visit our GSI website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, etc. Survivors, their children and grandchildren are welcome to post contact information for their local groups on our website.
