Dear Members and Friends,

We are delighted Michael Newman, Chief Executive of the Association of Jewish Refugees (AJR) and grandson of survivors, has joined the GSI Coordinating Council. We look forward to working together as we move into the new year.

On January 4th GSI hosted a conference call with intergenerational members of several international umbrella organizations. GSI, the World Federation of Jewish Child Survivors of the Holocaust & Descendants (WFJCSHD), Descendants of Holocaust Survivors (3Gs) and Red Latinoamericana para la Enseñanza de la Shoá (Red LAES) agreed to continue our dialog on challenges and issues of concern for the global Holocaust survivor community and educators.

We are now accepting program information for March, April, and May, so please send in the details of your upcoming Yom Hashoah commemorations. Instructions for event submissions are in the box below. Also, we are accepting links to archived programs from International Holocaust Remembrance Day. Please include the date and title of the program along with the link.

Thank you, and be well,

Generations of the Shoah International (GSI)
