Generations of the Shoah International Newsletter
April 2022

Dear Members and Friends,

As Yom Hashoah V’Hagvurah approaches we again ask that you donate to the Jewish social service agency of your choice and earmark the donation to help aging Holocaust survivors in need. Or contribute to the Holocaust museum / memorial of your choice. If you feel well-served by GSI, please pass it forward.

Our heartfelt thanks to all those who work tirelessly all year long, not just for annual commemorations, to preserve and protect the history and legacy of the Shoah. Please know the intergenerational Holocaust survivor community appreciates what you do.

Thank you, and be well,
Generations of the Shoah International (GSI)

FYI... The Red Cross has a free service which helps people research relatives and friends affected by the Holocaust, allowing clients to get proof of loved ones' forced labor, deportations, and internment in camps. Some clients have been reunited with relatives and friends lost during the war but still living today. To qualify for the service, we need a relative or friend who knew the person we are researching, and we need to still be unsure of the person's ultimate fate during the war. Contact your closest office of the Red Cross. Clients can also receive a two-page referral list of other organizations that do Holocaust-related research. For more information, contact Red Cross volunteer Bob Rich at bob.rich@redcross.org.
