Dear Members and Friends,

There were many Holocaust commemorations in January for International Holocaust Remembrance Day. Links to some of those programs are now, and will be, available in the FYI section below.

**GSI**, along with Classrooms Without Borders (CWB), the Johannesburg Genocide & Holocaust Centre, and the Ghetto Fighters’ House, and in partnership with Liberation 75, has created a new program series: *The Holocaust as an Interdisciplinary Tapestry*. This 8-part series will engage with scholars and experts who grapple with themes related to Holocaust studies. The series will explore the multifaceted discipline of Holocaust Studies through different lenses. We will include scholars whose research and publications shed new light in this field of study that continues to grow and develop. Our experts will challenge us to understand the causes, impacts, and legacies of the Holocaust.

Our thanks for our Facebook guest for January, Holocaust survivor Gabriella Karin. We now welcome our February guest (2G) Michele Gold. Michele is the author of *Memories That Won’t Go Away – A Tribute to the Children of the Kindertransport*. We hope you will join the discussion: **GSI book / film discussion group | Facebook**

Thank you, and be well,

*Generations of the Shoah International (GSI)*
