Dear Members and Friends,

Greetings of the Season! Though we are now busy with holidays, please remember to send in your Holocaust related public program information for submission in next year’s editions of this newsletter. We welcome your International Holocaust Remembrance programs now. There are submission guidelines in the box below.

Congratulations to our guest author in November, Adena Bernstein Astrowsky, on receiving the IAN Book of the Year for Outstanding Non-Fiction for her book *Living Among the Dead: My Grandmother’s Holocaust Survival Story of Love and Strength*. Our thanks to her for being with us and may she go from strength to strength!

We now welcome Pinchas Gutter, Holocaust survivor and author of *Memories in Focus*. Many of you know him from his Dimensions in Testimony interview where he “interacts” with questions from his audiences and from the virtual reality film *The Last Goodbye | USC Shoah Foundation*. This is an opportunity for you to engage with Pinchas in person, not just the hologram. Join us here: GSI book / film discussion group | Facebook.

Thank you, and be well,
*Generations of the Shoah International (GSI)*

Membership in our interactive leadership listserv is open to leaders / representatives of *landsmanschaften* and other Holocaust-related groups. If your local survivor, second generation or third generation group has not yet delegated a representative to join the *GSI* interactive online discussion / listserv group, please join us now. We already have dozens of members throughout the USA and in other countries. This global interactive listserv is the fastest way to reach the survivor and their descendants’ communities: genshoah@gmail.com.

The form for event submissions may be found at: [www.genshoah.org/contact_gsi.html](http://www.genshoah.org/contact_gsi.html). Please fill out the information requested in the text areas and submit it to us at genshoah@gmail.com. You must send us your information no later than the 23rd of the month if you wish it to appear in the upcoming (next) month’s issue.

To search the newsletter by geographic area: Search by country for programs outside the USA or use the city and / or state abbreviations for those areas in the USA.
All times listed below are local unless otherwise stated.

Visit our GSI website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, and more. Survivors, their children, grandchildren, and great-grandchildren are welcome to post contact information for their local groups on our website.

GSI has an “open” Facebook group that anyone can join and invite others to join. Feel free to introduce yourself to your brothers and sisters in the survivor and descendants’ community and communicate directly with them without having to be cleared by a third party. Use the Facebook group to find old friends and relatives. Join us and meet new friends. Our page is visible to Facebook members at www.facebook.com/groups/genshoah/. Joining Facebook is free and easy: www.facebook.com.
