Generations of the Shoah International Newsletter
April 2023

Dear Members and Friends,

As we approach Yom Hashoah V’Hagyurah, Holocaust Remembrance Day, we again ask our members to consider donating to a social service agency that helps aging Holocaust survivors in need and / or to the museum / memorial / institution of your choice. If you feel well served by GSI, please pass it forward.

Our thanks to Ariana Neumann for being our Facebook guest in March! We now turn our attention to Karen Kruger who will be our guest in April. Here is the trailer for her film Letters From Brno. Our guest will answer questions from members, so we welcome you to participate and get to know Karen this month.

In June we will suspend our guest visits and, in honor of Holocaust Survivor Day, share stories of the Holocaust survivors who have inspired us. We will have more information on this next month.

We hope you will join the discussion: GSI book / film discussion group | Facebook.

Thank you, and be well,
Generations of the Shoah International (GSI)

Membership in our interactive leadership listserv is open to leaders / representatives of landsmanschaften and other Holocaust-related groups. If your local survivor, second generation or third generation group has not yet delegated a representative to join the GSI interactive online discussion / listserv group, please join us now. We already have dozens of members throughout the USA and in other countries. This global interactive listserv is the fastest way to reach the survivor and their descendants’ communities: genshoah@gmail.com.

The form for event submissions may be found at: www.genshoah.org/contact_gsi.html. Please fill out the information requested in the text areas and submit it to us at genshoah@gmail.com. You must send us your information no later than the 23rd of the month if you wish it to appear in the upcoming (next) month’s issue.
To search the newsletter by geographic area: Search by country for programs outside the USA or use the city and / or state abbreviations for those areas in the USA.

All times listed below are local unless otherwise stated.

Visit our GSI website at www.genshoah.org for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, and more. Survivors, their children, grandchildren, and great-grandchildren are welcome to post contact information for their local groups on our website.

GSI has an “open” Facebook group that anyone can join and invite others to join. Feel free to introduce yourself to your brothers and sisters in the survivor and descendants’ community and communicate directly with them without having to be cleared by a third party. Use the Facebook group to find old friends and relatives. Join us and meet new friends. Our page is visible to Facebook members at www.facebook.com/groups/genshoah/. Joining Facebook is free and easy: www.facebook.com.
