Dear Members and Friends,

Generations of the Shoah International (GSI), the World Federation of Jewish Child Survivors of the Holocaust & Descendants (WFJCSH&D), Descendants of Holocaust Survivors (3G), and Red Latinoamericana para la Enseñanza de la Shoá (Red LAES) are co-presenting two special programs with the US Holocaust Memorial Museum. On June 4 and 11 we will be able to hear how the Museum’s collection of materials, documents, and artifacts serves as a resource for Holocaust survivors, their descendants, families of victims, teachers, scholars, filmmakers, and others wishing to discover more about the fate of Jewish people persecuted by the Nazis and their collaborators. Participants will have the opportunity following the program to request research assistance as well as discuss how they can donate artifacts or contribute an oral history to the Museum. See the Upcoming Events section below to register for both programs. Note: if you cannot attend in real time you can register and a link to the recording will be sent to you later.

Our thanks to Esther Safran Foer for being our Facebook guest in May. In June we will end our guest visits and, in honor of Holocaust Survivor Day, share stories of the Holocaust survivors who have inspired us. You can share stories of family members, survivors you have worked with or interviewed, anyone who was inspirational to you. We hope you will join the discussion: GSI book / film discussion group | Facebook.

Thank you, and be well,

Generations of the Shoah International (GSI)
